DECEMBER 9th TO BE GALA DAY FOR REPUBLICANS

Greatest Day in Republican History in Kentucky When Ed Morrow Takes the Oath of Office—Many Masonians are Going.

Edwin P. Morrow will take the oath of office as Governor December 9, after having been swept into office at the head of the entire Republican State ticket by an unprecedented majority for the party which is likely to pass the record majority of 31,000, elected by Governor McCreary in 1911.

The previous Republican high-water mark was 18,500, recorded by Governor Wilson in 1907.

Only one Democratic State officer won, he being Frank N. Burns, of Paducah, running for Railroad Commissioner in the First district. J. Sherman Cooper, of Somerset, defeated Sid Douthitt, of New Castle, in the Second district, and in the Third E. C. Kash, Republican, of Jackson, had no opposition.

Republicans throughout the State are discussing plans for the inauguration of Mr. Morrow. It was generally agreed that it would constitute one of the gala days in the history of the party in the State. The Chief Justice of the Court of Appeals will administer the oath.

It has been twelve years since a Republican Governor took the oath of office in Frankfort. It is planned to signalize the event in a way long to be remembered by Republicans. Leaders in all parts of the State have canceled engagements for Dec. 9 and the day will find them in Frankfort by the hundreds.

Great plans for this day are being made by Mason county Republicans. At least fifty are expected to be in Frankfort on that day taking with them the famous Boys' Band. Plans are now being made for an extra train to carry the delegation.

MEETING AT STONE LICK CHURCH SUNDAY AFTERNOON

There will be a meeting at the Stone Lick Baptist Church near Orangeburg on next Sunday afternoon at 2 o'clock in the interest of the Baptist 75 Million Campaign. There will be several interesting speakers and everyone in that neighborhood is invited to attend and especially the members of that church.

MISS SALLIE BURROWS SERENADED BY BAND

The Maysville Boys' Band Thursday night serenaded Miss Sallie Burrows, one of Maysville's most popular school teachers, who has been confined to her home as an invalid for some time. Miss Burrows greatly enjoys the music the youngsters made for her.

The members of the Holy Name Society of St. Patrick's Church will receive Holy Communion at the 8 o'clock mass Sunday morning.

MASON COUNTY WINS FIRST PRIZE AT LEXINGTON SHOW

John Dorn, True to Form, carries away Big Honor at Lexington Tobacco Fair.

There's no use talking, you can't hold John Dorn of Dover, back on taking the big money as a tobacco racer. Long he has been declared the champion tobacco grower of the state of Kentucky. When ribbons were tied at the big Lexington tobacco show yesterday Mason county again came into the limelight as the best tobacco county in the state when Mr. Dorn carried away the big prizes. The prizes won by Mr. Dorn were first prize of \$60, for twist leaf, first prize of \$25 for bright leaf, and first prize of \$35 for Red leaf.

Messrs. Thomas and Dietz, of Dover, won second prize of \$25 for twist wrapper. This should attract much attention to Mason county as a tobacco county at the Kentucky state fair a number of years and is always the big winner at the Maysville Corn and Tobacco Fair. The winning of these prizes for Mason county is worth thousands of dollars to Mason county tobacco growers.

ANOTHER BREAK CUTS CITY'S WATER PRESSURE

Pressure Dropped to 40 Pounds at Noon When Valve in Big Pump Breaks—Repairs Made and Pressure Again Raises.

Another accident such as may be expected at any time with the old pumping machinery now in use in the Maysville Water Company's plant, cut the city's water pressure down from 150 pounds to 40 pounds at noon today. The same valve which broke a few nights ago, let go again and there was not enough water in the reservoirs to keep up the pressure.

For a time it looked as though the city was again to be entirely out of water but workmen about 2:30 o'clock got the valve repaired and the pump was again started. Water is now being pumped direct into the mains and thus the pressure was brought up rapidly. For several hours elevators could not be operated and on the hillside people had practically no water.

Until the new pumps which the Water Company says they have purchased have been installed these break downs in the old and obsolete machinery can be expected at most any time.

IN MISERY FOR YEARS

Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.

Oskaloosa, Iowa.—"For years I was simply in misery from a weakness and awful pains—and nothing seemed to do me any good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and got relief right away. I can certainly recommend this valuable medicine to other women who suffer, for it has done such good

work for me and I know it will help others if they will give it a fair trial."

Mrs. Lillian Courtney, 108 8th Ave., West Oskaloosa, Iowa.

Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published. Every woman who suffers from displacements, irregularities, inflammations, ulcerations, backaches, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

Your Part and Hers

Good telephone service depends not only upon the telephone equipment and the skill and intelligence of the telephone employees, but also upon the co-operation of the telephone USERS.

It is the responsibility of the calling person to be sure to give the operator the right number, speaking slowly and distinctly.

The operator's responsibility is, in turn, to answer the caller's signal promptly and to give the desired connection quickly and accurately.

Still further, the called person cooperates towards good service BY ANSWERING PROMPTLY; and each helps by speaking distinctly and by practicing courtesy and patience under all conditions.

The Clothing Situation

For men and boys is very acute and the tendency for higher prices continues. While merchants are running all over the country trying to secure modern merchandise, fortunately to us, we had the foresight and nerve to go into the market when conditions were favorable, thereby securing first choice of patterns and materials, getting them into the house for display and sale at reasonable prices, for which the public seems duly grateful by the way they are buying of us. Every day finds new goods from early purchase coming in to fill up our depleted stocks. Even under these wonderful circumstances we would advise an early purchase of Suits, Underwear, Wool Shirts, Raincoats, Mackinaws, Sweaters, Hat and Men's Overcoats. Children's Overcoats are, however, very scarce at the present time but we have always had a few to show and in a few days will have a full and complete stock.

Two experienced men added to our sales force to care for our increasing business.

EATMOR BREAD

Identified By the Blue Bird Wrapper

There's loads of joy and good health in EATMOR BREAD wrapped in the Blue Bird container. Have wife y pile it high on your plate three times a day; feed it to the kiddies and watch that pinkey bloom come into their little faces. Serve it to hubby, wifey, mother, son and daughter. It will drive out the tired wrinkles in their faces.

EATMOR BREAD, the knock-out blow to "old man" tired feeling.

There is vim, vigor and vitality in every crumb. It creates that joy-ride feeling three times a day—breakfast, dinner and supper.
